PNB offers online PPF account opening through its app

Punjab National Bank (PNB), India's leading public sector bank, is offering online digital PPF account opening facility through its PNB-One Mobile Banking App, Internet banking and PNB website. This initiative enables both existing PNB customers and new-to-bank customers to open PPF accounts entirely online through a seamless Do-It-Yourself (DIY) journey. The new digital PPF platform represents PNB's commitment to making long-term investment products accessible to every Indian. Available across multiple digital touchpoints, this facility eliminates the traditional barriers of branch visits and paperwork for account opening.
