PUNJAB NATIONAL BANK LAUNCHES DIGI MSME PRIME

Punjab National Bank (PNB) has launched Digi MSME Prime, an enhanced digital lending solution aimed at expanding fast and seamless credit access for Micro, Small and Medium Enterprises (MSMEs). The initiative is built on a Straight Through Processing (STP) model that minimizes manual intervention and enables quicker loan approvals and disbursements. Under this platform, MSMEs can avail loans of up to ₹10 Crore, with eligibility primarily assessed through GST turnover and business cash flows, reducing the need for extensive documentation.
